SWEETWATER VALLEY NURSERIES

INCORPORATED

WHOLESALE ORNAMENTALS

ON LEE HIGHWAY

SWEETWATER, TENNESSEE

SPRING, 1931

Fellow Nurseryman:

We want you to be among the first to know about the most Revolutionary offer ever made to wholesale purchasers of quality nursery stock.

On all purchases of carload lots for Spring of 1931 delivery WE WILL PREPAY ALL FREIGHT CHARGES as explained in the following pages. Further, you may make your own selection from our advance price list which has already been mailed you, or, you may make your own PERSONAL selections in our 1,000 acre nursery at NO INCREASE in prices.

Did you ever hear of a proposition like this before? Of course not! This offer is the first of its kind in the history of the American Nursery Trade. It means an actual cash saving to you of from \$150.00 to \$350.00 on a single carload purchase. Ask your banker whether it would pay to borrow money at 6% to make this trade which carries a clear saving to you of from 20% to 35%.

Read the following pages carefully, consult the map for your zone and then mail your order AT ONCE. This is important because even with 1,000 acres planted exclusively in the finest ornamentals and our own private siding on the main line of the Southern Railroad, we need your cooperation in planning for prompt shipments on the date that you want them.

We challenge your good judgment and experience to find anywhere an offer that can give you so much real value for your investment.

This unusual offer may never be repeated but for the Spring of 1931 it is just as sincere as we know how to make it. Opportunity may knock only once, so Buy Now---and Save.

Yours very truly,

SWEETWATER VALLEY NURSERIES, INC.
